7) Once you have entered the residence, you can contact the concierge and/or the house manager if you need information or guidance on the specifics of the facility and the services offered. 9) At the end of the allocation period, you will have to leave the residence by checking out, which you will have to arrange with the accommodation manager. The security deposit will be returned within 60 days of the end of the allocation period and after regular check out. Ask the accommodation staff for check-out instructions if you have any doubts.
