NOTICE OF EXTRA-COMPETITION HOUSING ASSIGNMENT 2026-2027

In execution of Director's Decree No. 389 published on 17/11/2026

ESU RESIDENCES

The list of ESU residences is published on the website www.esu.pd.it; the residences are located in Padova and neighboring municipalities, Mestrino, Legnaro, Vicenza, Rovigo, and Castelfranco Veneto. Beds are offered from the date they become available until 23/07/2027, and not for different periods.

WHO CAN APPLY

Extra-competition accommodation requests can be made by students regularly enrolled for the academic year 2026/27 in a bachelor's, master's, or doctoral degree program at the University of Padova, the Conservatories of Veneto, the Higher Schools for Linguistic Mediation, and the Italian School of Design in Padova:

- who do not have any pending debts towards ESU for dues in the current academic year or previous ones;
- who have not incurred a bed revocation in the current academic year or previous ones.

Submitting the accommodation request implies self-certification of psycho-physical suitability for community living. This condition presupposes the absence of pathologies that prevent cohabitation and the sharing of common spaces (rooms, bathrooms, kitchens). Given the structure of the residences, in fact, it is not possible to guarantee the assignment of single rooms with exclusive-use bathrooms and kitchens.

HOW TO APPLY

Interested parties must fill out and submit the online application in the Student Desk by logging in with their credentials/SPID and using the form "Domanda posto letto extra concorso" from 10:00 AM on 23/11/2026 until 9:00 AM on 27/11/2026. The online application will also be activated in periods following the one defined above, subject to bed availability; notice will be given on the corporate website with appropriate advance notice within the "News" section.

WHEN FILLING OUT THE APPLICATION, STUDENTS MAY EXPRESS A PREFERENCE BETWEEN:

a) RECEIVING AN OFFER FOR ACCOMMODATION AMONG THOSE AT SUBSIDIZED RATES

b) RECEIVING AN OFFER FOR ACCOMMODATION AMONG THOSE AT NON-SUBSIDIZED RATES.

N.B. The preferences indicated by applicants will not be binding: should the places for either type run out, different accommodation proposals compared to what was originally requested may be sent.

In case of a tie in registered credits, priority will be given to the candidate with a lower ISEE. Income data for Italian students and merit data for all those submitting the accommodation request will be directly acquired by ESU.

Confirmation of the assigned place will be conditioned on the payment of the deposit by the deadline specified in the accommodation offer (normally, the Friday following the date the offers are sent). Once the payment deadline has passed without the student having paid the deposit, the accommodation offer will be cancelled and the place will be used for subsequent assignments.

The student assigned accommodation will find the bed offer in the Student Desk indicating the deadline by which to make the payment and, in the Pago PA-MyPay section, the amount of the deposit to be paid (euro 380.00). The deposit will be converted into a security deposit once possession of the bed is taken. The return of the security deposit is regulated by art. 10 of the General Regulations for University Residences 2026/2027.

Acceptance of the accommodation offer implies acceptance by the student of the rules of the General Regulations for University Residences A.Y. 2026/2027.

Rates are monthly and cannot be split; if the assignee acquires availability of the accommodation after the 16th of the month, the first month's rate will be halved. No reduction will be made if the accommodation is made available during or before the 16th day and if the assignee vacates the accommodation before the end of the month. The monthly fee for July will in any case be charged in full.

Assigned students must pay the due accommodation fee via PagoPa in the Student Desk in monthly installments paid in advance by the 5th of each month.
